1. The CHAIRMAN recalled that on the 18th March, 1960, the French Delegation had submitted a Memorandum (CCCOM Doc. 3919) informing the Committee that the French Ministry for Foreign Affairs were prepared to offer the Coordinating Committee housing space in the Hotel Pierre ler de Serbie. He explained that the French authorities were now anxious to learn the Committee's decision.
2. The COMMITTEE agreed that the Chairman should be asked to send a letter to the Head of the French Delegation, requesting him to inform his authorities that, after inspection of the abovementioned premises, the Coordinating Committee did not feel that they would be entirely suited to its particular uses and purposes. The Committee was most grateful to the French Government for their kind offer, and, should the other possibilities at present being explored prove to be unsatisfactory, delegations would be glad to know that they could turn to their host country for further assistance.
3. The FRENCH Delegate thanked the Committee for informing him of their decision, and undertook to transmit it to his authorities. He had been instructed to state, however, that in any event the premises at present occupied in the Palais de Chaillot must be relinquished by the 31st May and, should the negotiations at present under way be unsuccessful, it would be difficult for the French authorities to find other premises before that date.
4. The CHAIRMAN undertook to send the abovementioned letter forthwith.
